Notice of Public Hearing

Regarding the Science Curriculum Adoption in Grades K-8th

Notice is Hereby Given That a public hearing will take place regarding the consideration of science curriculum adoption in grades K-8th. The Lucerne Elementary School District is considering;

- *Houghton Mifflin Harcourt Dimensions Science California standards-based curriculum*
- *McGraw Hill Inspire Science California standards-based curriculum*
- *Pearson Elevate Science California standards-based curriculum*

for review in response to preparing students for CCSS in the area of science in elementary school grades K-5th.

The Lucerne Elementary School District is considering:

- *Houghton Mifflin Harcourt Dimensions Science California standards-based curriculum*
- *McGraw Hill Inspire Science California standards-based curriculum*
- *Pearson Elevate Science California standards-based curriculum*

for review in response to preparing students for CCSS in the area of science in middle school grades 6th-8th.

This curriculum is under consideration for adoption to address the science needs of students who face the California Common Core State Standards. These materials are available for public viewing and comment through April 14, 2020, each weekday from 8:00a.m. to 4:30p.m. located;

Lucerne Elementary School District

Governing Board Room C-8

3351 Country Club Dr.

Lucerne, CA 95458

There will be a public hearing on April 15, 2020 at 5:30p.m., for the regularly scheduled Board Meeting located at;

Lucerne Elementary School District

Governing Board Room C-8

3351 Country Club Dr.

Lucerne, CA 95458

The purpose of this public hearing is to provide an opportunity for parents, teachers, and members of the community interested in the affairs of the school district, to directly address the board regarding the science curriculum adoption in grades K-8th. Parents, teachers, and members of the community interested in the affairs of the school district, are encouraged to participate in this hearing.
