

LUCERNE ELEMENTARY SCHOOL

STUDENT USE OF TECHNOLOGY - USE AGREEMENT

The mission of Lucerne Elementary School District is to improve learning and teaching through interpersonal communication, student access to information, research, teacher training, collaboration and dissemination of successful educational practices, methods, and materials.

Rights & Responsibilities: The District will be connected to the Internet through the Lake County Office of Education. This connection will provide access to local national and international sources of information and collaboration vital to intellectual inquiry in a democracy. In return for this access, every Digital Library user has the responsibility to respect and protect the rights of every other user in our community and on the Internet. Students are expected to act in a responsible, ethical and legal manner, in accordance with the district Internet Code of Conduct, the missions and purposes of the other networks they use on the Internet, and the laws of the states and the United States.

District Internet Code of Conduct: The Internet Code of Conduct applies to all users of the District network. It reads: "I will strive to act in all situations with honesty, integrity, and respect for the rights of others and to help others to behave in a similar fashion. I will make a conscious effort to be of service to others and to the community. I agree to follow the access, usage, and content rules as stated below."

1. Using the network for any illegal activity, including violation of copyright or other contracts;
2. Using the network for financial or commercial gain;
3. Degrading or disrupting equipment, software or system performance;
4. Vandalizing the data of another user;
5. Wastefully using finite resources;
6. Gaining unauthorized access to resources or entities;
7. Invading the privacy of individuals;
8. Using an account owned by another user;
9. Posting personal communications without the original author's consent;
10. Posting anonymous messages;
11. Downloading, storing or printing files or messages that are profane, obscene, or that use language that offends or tends to degrade others;
12. Violating the Content Guidelines as outlined below.

4. No text, image, movie or sound that contains pornography, profanity, obscenity, or language that offends or tends to degrade others will be allowed.

Lucerne Elementary School District Consent & Waiver Form: By signing the District Acceptable Use Agreement, the requester and his/her parent(s) or guardian(s) agree to abide by the restrictions outlined in this Agreement policy. The student and his/her parent(s) or guardian(s) should discuss these rights and responsibilities. Ultimately, parent(s) and Guardian(s) of minors are responsible for setting and conveying the standards that their child or ward should follow. To that end, the District supports and respects each family's right to decide whether or not to apply for Internet access.

The specific conditions and services being offered may change from time to time. The District makes no warranties with respect to Internet service or content. Further, the requester and his/her parent(s) or guardian(s) should be aware that the District does not have control of the information on the Internet, nor can it provide barriers to account holders accessing the full range of information available. Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. Similarly, while the District supports the privacy of electronic mail, account users must assume that this cannot be guaranteed.

The District believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access. We hope you and your student will join us on the Internet.

ACCEPTABLE USE AGREEMENT
